### **ANNE THULIN**

#### **“in between”**

**September 4 – October 11, 2008**

Galleri Charlotte Lund has the pleasure of presenting “in between”, a solo exhibition featuring new works by Anne Thulin.

This is the artist’s fourth solo exhibition at the gallery. Further developing her work with large, abstract textile sculptures, Thulin introduces light installation and drawing as new elements of her artistry in this exhibition.

“in between” throws a light on obscure in between spaces. Helped by different nuances of gray light, the small passages between the overpowering sculptures and the cut drawings, Thulin explores the ambivalence of the ambiguous color gray.

Born in Lund in 1953, Thulin lives and works in Stockholm and New York. Since a solo exhibition at Lunds Konsthall in 2003, the artist has exhibited at New York institutions such as Socrates Sculpture Park and Smack Mellon.

Press photos are available on request.

Please join us at the opening reception, Thursday, September 4, 2008 from 5pm to 8pm.

Thanks to Ellen Ruge, Woodlite Sverige AB, Ilmonte AB.
