LEIF PALMQUIST

”Without Gravity”

May 20 – July 3, 2010

Galleri Charlotte Lund is pleased to present Leif Palmquist’s fourth solo exhibition at the gallery.

In this new body of work ”Without Gravity” Leif Palmquist continues to explore his interest in nature and natural phenomena. On view are paintings in oil on canvas and drawings - often as diptychs - in watercolour on paper.

Palmquist’s works are frequently perceived with a lightness in their configuration. He deals with themes such as sound, light, speed or as in this exhibition gravity. He has a highly personal way of shaping and presenting natural science.

Leif Palmquist in his own words: ”In my work I let the regularities by law on light and shadow and on gravity act free and unbound. There is no evident light source in the images nor any clear trace of gravity. The shapes in the imagery are in some kind of intermediate position and alternate between microcosm and macrocosm. They are both in a stage of genesis but can also be seen as in the phase of resolution and disappearance.”

Leif Palmquist (b. 1961) lives and works in Stockholm. At Danderyds hospital, Stockholm the artist recently finished a public commission. In the winter of 2009 he exhibited at the Swedish embassy in Tokyo and will have a solo exhibition at Karlskrona Konsthall in the fall of 2010.

During the exhibition the gallery will organize an artist talk with Leif Palmquist and an invited guest.

Press photos are available upon request.

Please join us at the opening reception Thursday, May 20th, 5 – 8 pm. Welcome!
